

Aiki - Jitsu Uniforms

Uniforms are not required for the first session attended, but may be purchased at anytime. Uniforms **are required** for subsequent sessions. Students with Uniforms prior to attending this class must have their uniforms approved by sensei. Pre-existing uniforms must be Traditional white uniforms. No prior school patches or insignias are allowed. If you do not have a uniform yet, please **do not** purchase a uniform on your own. There are plenty of lousy made uniforms. I only purchase high quality uniforms for my students.

Basic Uniforms are \$55 for adults / teens
