Dear Henry,

I would like to take this opportunity to congratulate you on winning the gold medal at the United States of America National Karate Federation Championships in Fort Lauderdale this past July. As you know, it is not talent that guarantees success but talent *and* hard work. When they collide, success is born. You have already proven to have both talent and an incredibly strong work ethic. Henry, you should be very proud of such an accomplishment.

If I can ever be of assistance, please do not hesitate to call on me. I hope that all of your future endeavors are equally successful. Again, please accept my congratulations.

Sincerely,

KARYN E. POLITO
